**Buyer's Responsibilities:** After taking possession of the puppy, the buyer is responsible for caring for and providing all necessary veterinary services. The puppy may require additional inoculations and the buyer should consult his/her veterinarian for additional information. If the puppy is sold on a Limited AKC or no paperwork basis, the Buyer agrees to have the puppy spayed/neutered at the appropriate age recommended by the buyer's veterinarian. Further, the buyer agrees to provide nutritious food, adequate grooming, and veterinary care including worming, heartworm preventative, and regular vaccinations.

**The buyer is to arrange a check-up with a licensed veterinarian within 5 days of** taking possession of the puppy, not including Saturday or Sunday. The seller is to be notified immediately if the veterinarian does not give the dog a clean bill of health. The guarantee does not include any preventable problem (heat stroke, exhaustion, poisoning, etc.) or any contagious disease/parasites, etc. diagnosed after 5 days as set forth above from the date of possession. If a problem is found at the initial vet visit, and the vet feels the puppy should be returned, the buyer is to supply all information requested by the breeder and breeder's vet. A refund in the amount of the purchase price (including tax if applicable) will be provided by the Seller or the Buyer has the option of another puppy of equal value.

**Limitations:** It is impossible to determine the exact size or color of any puppy when full grown, so there is no guarantee to size, color or show quality of the puppy. This is no guarantee of the fertility status of the puppy. The seller assumes no responsibility after the puppy leaves these premises for any change of mind on the part of the buyer resulting from, but not limited to landlord's disapproval, allergies to the animal, family disagreement, etc.

**Health Guarantee:** The Seller certifies that upon receipt, the dog is in good health and has been immunized and wormed per the health record with the exception of the following conditions: \_\_\_\_\_ which are excluded from any guarantee. Further, the Seller warrants the puppy for up to one year old for untreatable life threatening genetic health issues.

**This genetic health guarantee may be** extended for up to 2 years if the buyer agrees to keep the dog continually on NuVet Plus Supplements. Buyer should keep receipts for their purchase of NuVet Plus. If receipts are not available, NuVet can confirm that the Buyer has purchased sufficient quantities of the product to keep this part of the guarantee in place. The Seller will replace the deceased puppy with one of equal value as soon as one becomes available. This guarantee covers only the original buyer and is not transferable. **If the puppy is not checked within 5 days as set forth above, the buyer will void all warranties or eligibility for any warrantee.**

**Return Policy:** If circumstances arise that would prevent the buyer from keeping the dog, the buyer agrees to make every effort to place the dog in another suitable home. The dog shall not be turned over to an animal shelter, broker, pet shop or rescue organization. If the buyer is unable to locate a suitable home, the dog shall be returned to the seller together with its signed-off registration papers—free of charge (no refund).
